Meet the Team: Our Group Members and Mentor

Our visit was orchestrated by a dedicated group of team members under the guidance of our mentor. The team included **Anish Udasi, Dolly Mangwani, Rushil Rohra, and Harshita Bhatia**, all of whom played crucial roles in making this visit a success.

Our mentor, **Ms Perna Solanke**, provided invaluable insights and guidance throughout the visit, ensuring that we maximized our learning and

engagement with the NGO's activities.

Empowering Futures: A Visit To Aadharvad Charitable Trust

Our team had the privilege of visiting Aadharvad Charitable Trust, an NGO dedicated to supporting underprivileged children and women. Established in 2005, the organization has been tirelessly working towards providing education, food, shelter, and skill development to street children and women in need.

During our visit, we observed the various programs and initiatives that align with several Sustainable Development Goals (SDGs) such as Quality Education (Goal 4), Gender Equality (Goal 5), and No Poverty (Goal 1). The trust's efforts in nurturing young minds and empowering women greatly contribute to these global objectives.

Objectives of Our Visit: Aligning with Sustainable Development Goals

The primary objectives of our visit were to understand the impact of Aadharvad Charitable Trust's initiatives on the local community and to explore opportunities for collaboration in areas related to education and child development.

By aligning our visit with the Sustainable Development Goals, we aimed to identify how the trust's programs contribute to

global efforts in eradicating poverty, ensuring quality education, and promoting gender equality.

Key Stakeholders in Aadharvad Charitable Trust's Mission

Aadharvad Charitable Trust operates with the support of a diverse group of stakeholders including donors, volunteers, local authorities, and the community at large. The trust's management, led by Mr. Nagesh Nalawade and Ms. Darshana Ashtekar, plays a pivotal role in executing its mission.

The involvement of dedicated staff and volunteers ensures that the trust's programs are effectively implemented, reaching the intended beneficiaries and making a tangible impact on their lives.

Survey Insights: Understanding the Impact of Aadharvad Charitable Trust

As part of our visit, we conducted a survey to gather insights into the effectiveness of Aadharvad Charitable Trust's programs. The survey included interviews with staff,

beneficiaries, and community members, providing a comprehensive understanding of the trust's impact.

We also captured geotagged pictures to document the facilities and activities observed during our visit. The survey revealed that the trust's initiatives have significantly improved the educational outcomes and overall well-being of the children and women it supports. These findings underscore the importance of continued support and collaboration to further enhance the trust's impact.
